*Message from CEO, Candace Lyon*

September is shaping up to be an exciting and meaningful month for us! We are welcoming Eden International visits, rolling out training sessions, and creating even more opportunities to connect with residents, families, and staff. These activities are all part of our ongoing journey to strengthen our Eden culture, enhance care, and ensure our home remains a warm, engaging, and inclusive place for everyone.

## Growing with Eden: A Month of Connections

Kristi Doan from **Eden International** will be visiting Windsor Elms Village on Sunday evening, September 14, and Monday, September 15. She'll be connecting with residents, staff, and families—stop by to say hello and share your ideas! We're also gearing up for our annual **Eden Warmth Surveys** at Windsor Elms Village! These surveys help us collect valuable feedback from residents, families, and staff to understand what's working well and where we can grow. Your input allows us to provide even better care, strengthen connections, and ensure our home remains warm, engaging, and inclusive for everyone. We truly appreciate your time and insights—they make a real difference in shaping our community!

## A Fresh Start for the Family Room — Vote on Its New Name!

Our Family Room is ready to welcome visitors again and we want your help giving it a fresh new name that is welcoming to everyone who visits Windsor Elms Village!

This cozy, private space—located outside of Fundyview Terrace House 3 & 4—includes a comfortable couch, chair, a small dining table with two chairs, a counter with a kitchen sink, a mini fridge, and a private bathroom.

The Family Room is open to all residents, families, friends, and visitors and can be used anytime—unless it is already occupied, which will be indicated on the door. It offers a quiet, private place to visit with loved ones, take a moment alone, or stay overnight when being close really matters.
